

Edit the Nested Knowledge Wiki

Start Editing

Explains how to [edit an individual Wiki page](#) in CKG Edit or DW Edit format.

Insert images

Teaches you how to [insert images](#) into the Wiki page.

Resize images

Teaches you how to [resize images](#) on the Wiki page.

Tips and Tricks

A page for the best [tips and tricks](#) to know when editing Wiki pages.

Upload a PDF or Document

How to [upload a PDF or document](#) into a Wiki page.

We invite researchers, libraries, medical writers, and physicians to share their knowledge and tips with the Nested Knowledge community. We welcome instructions on, but not limited to, the following topics:

- Using AutoLit for reviews
- Adhering to systematic review best practices
- Performing statistical analysis
- Collaborating across international teams
- Writing systematic reviews and meta-analyses
- Applying the results of living reviews to inform decision-making

Check out our instructions on [getting started editing](#) and [inserting images](#).
