

Sustainability

Purpose

As a fully remote company, delivery a cloud-based service, Nested Knowledge reduces CO2 emissions by eliminating commutes, utilities, office space, and paper use.

Sustainability Practice

* We eliminate the need for excess print documents by enabling users to collaborate on research online. * We use cloud-based, electronic methods to distribute software and documentation to reduce our consumption of natural resources. * We employ online communication tools to limit road and air miles traveled. * We purchase virtual professional services, supporting other remote service providers.
