

Sign in or Sign Up

Steps to Create an Account:

1. Go to the Nested Knowledge homepage

Go to nested-knowledge.com and click the Sign Up in the top right corner.

This will take you to the Sign Up page where you can input your First Name, Last Name and view our Terms of Service.

A screenshot of the 'Sign Up' page on the Nested Knowledge website. The page has a light blue background. At the top left is the 'NESTED KNOWLEDGE' logo. At the top right are navigation links: 'About', 'Docs', 'Support', 'Sign in', and a blue 'Sign up' button. The main content area is divided into two columns. The left column contains a 'Sign Up' form with fields for 'First Name' and 'Last Name', a checkbox for 'I accept the terms of service', and a 'Continue' button. Below the form, it says 'First review is free • No credit card required'. The right column is titled 'What our customers say:' and contains two testimonials. The first is from Dr. Jilienne Touchette, PhD, CEO of Superior Medical Experts. The second is from Dr. Gautam Adusumilli, MD, Stanford Neurosurgery Resident. At the bottom of the page, there is a section titled 'Trusted by thousands of researchers around the world:' which features logos for ECRI, ICER (Institute for Clinical and Economic Review), and the Vesalius Innovation Award by Springer Publishers.

2. Select a login method

When you hit Continue, a new tab will open:

The image displays two screenshots of the Nested Knowledge sign-up process. The left screenshot shows a 'Sign Up' form with fields for First Name (Jade), Last Name (T), and a checkbox for terms of service. The right screenshot shows a 'Welcome' screen with fields for Email address and Password, a 'Continue' button, and a 'Continue with Google' option.

You have two options when creating an account:

A) Sign Up by Creating an Account: To sign up without using GMail/Google credentials, enter your email address and a password then Continue.

B) Sign Up with Google: If you would like to use your GMail/Google credentials to log into Nested Knowledge, select the “Continue with Google” option and follow the instructions.

After creating an account you will be prompted to verify your email. If it is not in your inbox, please check your spam! If it's not in your spam, [let us know](#).

3. Continue to Nests

After completing the Sign Up process, you will be signed in and redirected back to the Nested Knowledge homepage. To access Nests, where all your projects will be stored, click the “Nests” button in the top right corner next to your name.

Bringing Systematic Review to Life

Create and share your clinical review on the Internet
