

# Edit References

All information in a reference can be edited from [Study Inspector](#) or within each module.

## 1. Navigate to the reference.

## 2. Click the Edit button.

The button is found at the lower right of the reference information.

## 3. Add, remove, or modify the information.

Author order can be modified using the buttons to the right (red box in the image below).

- Authors can be reordered using the arrows to the side.
- Authors can be removed using the minus button next to the author's name.
- Authors can be added below any existing author using the plus button next to the existing author's name.

very embolization with subdural evacuating port system for primary
