

Want to try out Nested Knowledge, but don't have a research question in mind? Don't want to make an upfront time investment building a nest? No problem, see how both AutoLit and Synthesis work from complete examples! The below links are walkthroughs of demos you may open from your [AutoLit Home](#).

- [COVID-19: Antivirals](#)
- [Osteoarthritis: Tanezumab](#)
- [Heart Failure: ACE Inhibitors & ARBs](#)
- [Nested Knowledge Employee Practice Nest](#)
