

# Accessibility

Nested Knowledge's AutoLit review platform is free to use by institutional-affiliated users for non-commercial purposes.

## Text Resizing

To increase the text size, click the keys CTRL and + (for PC) or COMMAND and + (for Mac)

## Study Inspector

- Our [study inspector](#) tool allows you to filter studies based on inclusion status and title/abstract by typing.
- When [screening](#), you can add exclusion reasons on the fly by typing.
- When [tagging](#), you can add new tags on the fly by typing

## Writing

Our [manuscript editor](#) is built on a [text editor](#) that supports screen readers and bidirectional text.

If AutoLit does not meet your needs, [get in touch with us!](#)
